The SlideTopper slideout room protector model numbers and associated hardware model numbers have undergone a non-safety related change.

Change Description:

The model number changes are a result of a SlideTopper product streamlining effort.

Action:

Dometic is releasing new model numbers for the SlideTopper slideout room protector and hardware.

Effective immediately, use the replacement model numbers when ordering. The following tables, "SlideTopper Model Number Changes" on page 1 and "Hardware Model Number Changes" on page 2, provide the previous and replacement model numbers for the product.
