

When ordering spare parts

Always state:

Model - Quantity - Part Number - Description

For electric details also:

Voltage - Wattage

Delete spaces and slashes in the part numbers

Add 0 to part numbers with less than ten digits

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly textured appearance and some minor discoloration or shadows, suggesting it might be a scan of a physical document. There is no handwriting or other markings on the page.
