RE: Penguin II Air Conditioner Model #640316 | Out-of-Production & Out-of-Stock

Dear Valued Dometic Customer,

We are reaching out to provide an update on Penguin II Air Conditioner model 640316 (cool only, no pre-installed control board) which are now out-of-production and out-of-stock. Owing to recent increased demand we are unfortunately in the position where we have run out of model #640316 before the replacement FreshJet AC model has launched (coming in February 2025). To help you address immediate customer needs, below is a list of recommended replacement options for different installation scenarios.

Replacement options with a modified installation procedure— these models have a pre-installed control board and do not require separate installation.

- 641916 – 15,000 BTU, cool only, single zone pre-installed control board, works with a CT thermostat
 - Non-ducted installations:
 - 3314850.000 - Universal ADB, wall thermostat
 - 3316250.700 - CT single zone thermostat, white
 - Ducted applications:
 - 3316250.700 - CT single zone thermostat, white
 - 3317404.000 - Return air grille
- 641816 – 15,000 BTU, cool only, multizone pre-installed control board, works with a CCC2 thermostat
 - Non-ducted installations:
 - 3314850.000 - Universal ADB, wall thermostat
 - 3314082.011 - CCC2 thermostat, white
 - Ducted applications:
 - 3314082.011 - CCC2 thermostat, white
 - 3317404.000 - Return air grille

Direct replacement options with the same installation procedure— these models below do not have a control board built in and require it to be installed separately.

- 640315 – 13,500 BTU, Cool only, no pre-installed control board
 - Non-ducted installations:
 - 3314851.000 - Universal mechanical ADB
 - Ducted installations:
 - Single zone:
 - 3316230.700 - CT single zone control kit and thermostat, white
 - 3317404.000 - Return air grille

- 640315 – 13,500 BTU, Cool only, no pre-installed control board (CONTINUED)
