Effective June 2025:
Restarting Fantastic Vent production.

Change description

Dometic will be substituting High Profile fan bases

- for all active Vent Fan models
- built with Low Profile Bases.

This change is necessary due to the extensive tool damage incurred from Hurricane Helene and the resulting flood damage sustained by our vendor in eastern Tennessee.

All affected fan models Item Numbers will not change (see table below).

FANTASTIC VENT

There is a 7/8" dimensional difference of the mounting flange between a Low-Profile Base and a High Profile.

- A Low-Profile base extends into the RV 1.625 in from the top of the roof and
- the High-Profile base extends into the RV 7/8 in (see dimensions below).

Depending on the application, a longer trim garnish may be required.
