The Fan-Tastic Vent fan and garnish bulk package order process is undergoing a non-safety related change.

Change Description:

In order to improve ordering, assembly, and shipping processes, changes affecting the order process for the Fan-Tastic Vent fan and garnish bulk packages are forthcoming. Currently, the fan bulk packs are ordered in quantities of twelve.

Action:

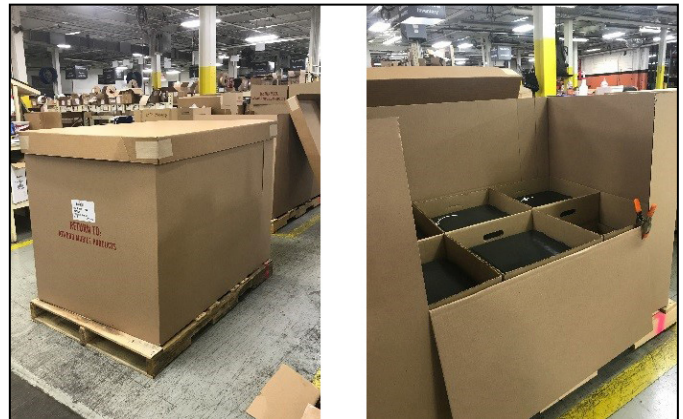

The bulk packs are now offered in quantities of three. The fan order process is the same, just in quantities of three instead of twelve.

When ordering a single pack, the fan and the garnish will ship in two separate boxes. If you want to receive both the fan and the garnish in one box, then order an aftermarket pack, which includes a 6.0 in. (153 mm) white garnish that must be cut to size.

Part numbers are not changing for the fan, but the garnish part numbers will change and will use a shortened part number naming convention.

Examples of the shortened part numbers and images of the existing and new bulk packaging follow:

	Existing Garnish Part Number	New Garnish Part Number
Single Pack	SA-G4500-81-SP	G4500-81S
Bulk Pack	SA-G4500-81	G4500-81B

1 Existing 12/24 Fan Bulk Pack

2 New Bulk 3 Fan Pack
