Effective immediately, Dometic has introduced a non-safety related change to the power awning hardware.

Change Description:

- All power awning hardware half sets will now only be offered in a right-hand configuration.
 - Left-hand half sets will no longer be offered.
 - A right-hand half set can be modified easily to accommodate a left-hand configuration when necessary.

Action:

- If a left-hand configuration is needed, order the right-hand configuration and then remove the wire covers and motor harness.

① Wire Covers

② Motor Harness

The left-hand half set part number will be discontinued. Use the right-hand half-set part number when ordering:

Right-Hand Half Set Part Numbers	Left-Hand Half Set Part Numbers (Discontinued)
