

FEATURES & BENEFITS

DOMETIC BRISK II EVOLUTION ROOFTOP AIR CONDITIONER

EASY INSTALL
HIGH ENERGY EFFICIENCY
DIGITAL THERMOSTATS

The choice
is yours!

Dometic raised the bar with its new Brisk II Evolution RV rooftop air conditioner! This next gen AC combines advanced design, state-of-the-art insulation & sound deadening materials to deliver improved cooling performance. Enjoy more air flow, ultra quiet operation & less amp draw. It's aerodynamic, UV resistant, has a detachable air filter, is easy to install, and comes ducted or non-ducted with single or multi-zone premium LCD thermostats. Our broad lineup of ACs offers maximum flexibility.

KEY BENEFITS

- Industry leading airflow CFM
- Ultra quiet whisper operation
- Maximum cooling performance

FEATURE	BENEFIT	DOMETIC BRISK II 13.5k and 15k BTU	Coleman Mach 13.5k and 15k BTU
MAX AIRFLOW (280 CFM)*	Patent pending blower & air diverter quietly moves 280 cubic feet per minute of cool air	YES	NO
COOLS 12% FASTER	Faster cool down in hot ambient temperatures due to more CFMs (more airflow)	YES	NO
LOWEST NOISE EMISSION	Dometic uses nationally recognized specs* for measuring noise levels (decibals). Smooth air transitions move air quietly at normal conversation levels (57dB).	YES	NO
ENERGY EFFICIENT	In moderate ambient temperatures (70 degree temps or less) run 2 High Efficiency Brisk II Evolution AC units on a single 30 amp service.	YES	NO
4 WAY AIR FLOW	Dometic's non-ducted Air Distribution Box 'ADB' is designed with 4 discharge ports to maximize cooling performance via 4-way (360°) air flow, compared to the competitions 2 discharge ports.	YES	NO
LIGHTEST WEIGHT	Applying advanced design & state-of-the-art materials we are able to offer the RV industry its lightest weight rooftop air conditioner weighing in at only 72 lbs.	YES	NO
MORE HEATING CAPACITY	Brisk II Evolution Heat Pump model (also available) delivered 9630 BTU vs. Mach 15 at 5600 BTU	YES	NO

*Tested in a climate controlled area, under a ducted condition consisting of (4) 5" vents properly spaced from the AC.

Mobile living made easy.
