

### Operation

Scope of delivery: fig. 1

- Place the lanyard over the mirror and pull to secure to keep the mirror from being lost when in use (fig. 2).
- Thread the securing straps correctly. If required, additional protection pads are included (fig. 3).
- Place the clips on the mirror arms over the back of the mirror securing the clips under the top rim of the vehicle mirror and secure in place with the pinch screws (fig. 4).
- Adjust the mirror arm along its length and secure the place with the pinch screws (fig. 5).
- Pass the rubber securing straps around the back of the mirror and secure the clip on the bottom rim of the mirror (fig. 6).
- If necessary the mirrors can be swapped for left hand drive cars, by removing the screw on the arm near the ball joint and swapping the mirrors around (fig. 7).

### Warranty Information

If the product does not work as it should, please contact your retailer or the manufacturer's branch in your country (see [dometic.com/dealer](http://dometic.com/dealer)). The warranty applicable to your product is 1 year.

For repair and warranty processing, please include the following documents when you send in the device:

- A copy of the receipt with purchasing date
- A reason for the claim or description of the fault

#### Australia only

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

#### New Zealand only

This warranty policy is subject to the conditions and guarantees which are mandatory as implied by the Consumer Guarantees Act 1993(NZ).
