This product change notice contains important supplementary information or notifications for the Brisk II air conditioner. It is not intended to provide all information, instruction, and/or safety messaging related to the product. For complete information, refer to the product manuals.

Effective immediately, Brisk II air conditioners are undergoing a non-safety related change.

Change description:

Dometic is launching a new FreshJet 3 series air conditioner. Brisk II air conditioners are being phased out.

Action:

Installation: FreshJet 3 series air conditioners install the same as the Brisk II. Refer to the installation manual for details.

i Do **not** torque Freshjet 3 series air conditioners higher than 22.2 lb in (2.5 N-m). Over-torquing will damage the base pan.

Shipping: FreshJet 3 series air conditioners cannot be shipped via parcel post.

Warranty: FreshJet air conditioners are the warranty replacements for Brisk II units.

Refer to the tables to determine the correct replacement units and parts.
