Effective immediately, select models of Dometic full china toilet are undergoing a non-safety related change.

Change description:

Dometic 4310, 4410, 4700 series, and 8700 series toilets are being upgraded with new toilet seats and lids. The existing non-slow close hinges are changing to slow close hinges to improve the customer experience.

There is no change in seat design, seat material, or seat color. The new toilet lids are backward compatible for the purpose of replacement seats. Non-slow close seats will no longer be available once this change is implemented.

Model numbers and part numbers for toilets remain unchanged. New part numbers are issued for the service kits and the existing service kits will be discontinued as inventory is consumed.

Action:

The following Dometic toilet models are affected:

Legacy item number	Item number	Model
302431113	9108684382	4310
